

# Summer Reading Skills

## PROGRAMS

### Program for 4-Year-Olds and Entering Kindergartners

Your child will learn to read in this exciting program. Children learn letter recognition, beginning phonics and easy sight words. Your child will learn to read simple words and short sentences and get excited about books and reading.

### Program for Entering 1st Graders

We'll teach your child to read independently. Children learn phonics and sight words and build comprehension skills. Your child will develop a love of books and reading and get off to a great start in first grade.

### Program for Entering 2nd Graders

Your child will become a confident, fluent reader in this fun program. Children build solid phonics and word-attack skills, develop reading fluency and improve comprehension. Your child will develop a love of reading and get off to a great start in second grade.

### Program for Entering 3rd Graders

In this fun summer program, your child will become a strong, confident reader. Children improve fluency and comprehension, build long-word decoding skills and expand vocabulary. Your child will develop a lifelong love of reading and get off to a great start in third grade.

### Programs for Entering 4th and 5th Graders

These single-grade programs will help your child become a skilled, confident reader with strong comprehension in fiction, nonfiction and textbooks. Students expand their vocabulary and learn to read more fluently and rapidly. As a result, your child will complete homework more quickly and easily, get better grades and enjoy reading more.

### Programs for Entering 6th, 7th and 8th Graders

In these single-grade programs, your son or daughter will make substantial gains in comprehension and reading speed in fiction, nonfiction and textbooks. Students expand their vocabulary and learn the best way to take notes. As a result, your child will complete homework more quickly and easily, get better grades and build confidence as a reader.

### Programs for Entering 9th and 10th Graders

In these single-grade programs, students learn the skills they need to succeed in high school. Your child will double their reading speed and improve comprehension and focus in fiction, textbooks and nonfiction. Students expand their academic vocabulary and learn study strategies to complete work efficiently, get better grades and score higher on exams.

# Teachers

These live online programs are offered by the University of North Florida Division of Continuing Education. Programs are taught by instructors from the Institute of Reading Development.

"I would like to thank you for such a positive outcome with my son James. He learned skills that have translated into wonderful grades, and more importantly, have given him more confidence in his reading abilities. He has actually asked to go to the library to pick out a book!" — Parent of 4th grader
